That in all things God may be glorified

Teacher Certificate Program is a comprehensive 30-unit certificate program that provides a sound theoretical foundation on professional education courses which are required by the Commission on Higher Education and the Professional Regulations Commission to fulfill requirements for licensure exam . It is specifically designed for aspiring non-education degree holders who wish to pursue a career in teaching in the academe.

The program equips students with appropriate competencies, skills, cognitive, social, and psychological characteristics needed for effective teaching, classroom practices, and managing student learning . It also prepares students to become Licensed Professional Teachers through Licensure Examinations for Teachers (LET).

Teaching Certificate Program consists of eighteen (18) units of Professional Education, six (6) units of Field Study and six (6) units of Practicum and includes the following courses: principles of the teaching profession, child and adolescent development, educational technologies, curriculum development, techniques of teaching as well as the measurement, evaluation and assessment in student learning, experiential learning courses (field Study 1-6), and practice teaching. The program blends phases of inquiry, lecture, observation, simulation, reflection and other experiential learning activities.

The students who complete the program receive a Certificate of Completion, Transcript of Records and qualified to take the Board Licensure Examinations for Professional Teachers (BLEPT) .

Schedule of Classes: Classes are held on Saturdays at the Our Lady of Montserrat Building.
