

IBED HIGH SCHOOL DEPARTMENT

GUIDANCE CENTER

The HS Guidance Office operates as part of the support to the Academic Department, in service to the students. The office aims to assist its clientele attain wholistic development as a human being, not only academically or intellectually, but also considering the other facets of human growth which include psycho-spiritual, emotional, and social. Although the office extends its services primarily to the high school students, its clientele may also include the adult community composed of teachers, administrators, parents, and service personnel.

The HS Guidance hopes to help carry out the objectives of the department through the effective implementation of its guidance services.
