Re: Virtual Launch of BEDISTANG KAAGAPAY on June 11, 2021

Peace!

To strengthen our commitment to the general welfare of all in the Bedan Community, I am most pleased to inform you of the launching of **BEDISTANG KAAGAPAY on June 11, 2021, at 1:00 PM via Zoom.**

BEDISTANG KAAGAPAY is a mental and emotional health advocacy and assistance program under the auspices of our Environment, Health, and Safety Office (EHSO) in collaboration with the Human Resource Management Office (HRMO), Counseling and Career Development Services (CCDS), Chaplain's Office, Health Services, Education Technology Services (ETS), and Information & Communications Technology Services (ICTS).

With increasing anxiety over the effects of the pandemic, BEDISTANG KAAGAPAY seeks to impart compassionate awareness and understanding of the mental and emotional health issues we continue to face in these trying times. Short webinars and podcasts will be aired on our media platforms. A **"Bedan Care Virtual Room,"** with professional counselors on hand, will likewise be made available to the community.

For those who wish to be at the **formal virtual launch of BEDISTANG KAAGAPAY, please pre-register with the HRMO.** Only those who register will get the link to the launch.

As we place our hope in God's loving presence among us, let us encourage one another and strive to be an instrument of healing and peace.
